

RESOLUTION NO. 6042

A RESOLUTION OF THE CITY COUNCIL ADOPTING THE ONE  
WATER ONE WATERSHED (OWOW) PLAN, AN INTEGRATED  
REGIONAL WATER MANAGEMENT (IRWM) PLAN

Intent of the Parties and Findings

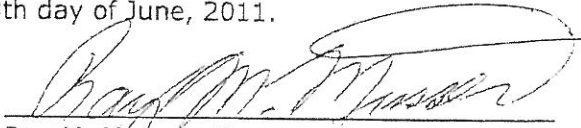

- (i) The City of Upland actively pursues any and all grant funding.
- (ii) The State of California Department of Water Resources approved the Santa Ana Watershed Project Authority (SAWPA) as the Regional Water Management Group, thereby granting SAWPA the authority to implement a Plan for the region.
- (iii) SAWPA adopted a plan of regional projects, known as OWOW, in November 2010.
- (iv) Upland submitted the 14<sup>th</sup> Street Basin Project; it was accepted into the OWOW Plan.
- (v) A requirement of a DWR grant is that the IRWMP be adopted by the governing body.
- (vi) The City Council approved Resolution 6031 authorizing the submittal of an application for \$2.5 million to the Department of Water Resources (DWR) for a Proposition 1E grant in March 2011 for construction of the 14<sup>th</sup> Street Basin Project.

NOW, THEREFORE, the Upland City Council hereby finds, determines and resolves as follows:

Section 1. Adopt the One Water One Watershed as the Integrated Regional Management Plan.

Section 2. Certification. The City Clerk of the City of Upland shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

PASSED, APPROVED and ADOPTED this 13th day of June, 2011.

  
Ray M. Musser, Mayor

I, Stephanie A. Mendenhall, City Clerk of the City of Upland, do hereby certify that the foregoing Resolution was adopted at a regular meeting of the City Council held on the 13th day of June, 2011, by the following vote:

AYES: Mayor Musser, Councilmembers Brandt, Filippi, Willis  
NOES: None  
ABSENT: None  
ABSTAINED: None

ATTEST:

  
Stephanie A. Mendenhall, City Clerk

RESOLUTION NO. 2010-15

A RESOLUTION OF THE COMMISSION OF THE  
SANTA ANA WATERSHED PROJECT AUTHORITY  
ADOPTING THE ONE WATER ONE WATERSHED (OWOW) PLAN,  
AN INTEGRATED REGIONAL WATER MANAGEMENT PLAN;  
AND AUTHORIZING APPLICATION TO THE  
CALIFORNIA DEPARTMENT OF WATER RESOURCES TO OBTAIN AN  
INTEGRATED REGIONAL WATER MANAGEMENT IMPLEMENTATION GRANT

WHEREAS, SAWPA declares its intent to adopt and implement the "One Water One Watershed (OWOW) Plan", an Integrated Regional Water Management Plan;

WHEREAS, SAWPA has made the OWOW Plan available to the public and notice of the public hearing on the adoption of the OWOW Plan was given in the manner prescribed by law; and,

WHEREAS, all persons desiring to be heard at the public hearing were given the opportunity to present their views to the Board of Commissioners, and any written communications received by SAWPA concerning adoption of the plan were publicly presented at the public hearing.

NOW, THEREFORE, BE IT RESOLVED that the Santa Ana Watershed Project Authority Board of Commissioners adopts the One Water One Watershed Plan, and authorizes the General Manager to take all appropriate actions to carry out the intent of the Santa Ana Integrated Water Management Plan; and

BE IT FURTHER RESOLVED, that the General Manager of the Santa Ana Watershed Project Authority be authorized to submit an application to the California Department of Water Resources to obtain an Integrated Regional Water Management Implementation Grant pursuant to the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Public Resource Code Section 75001 et seq.); and

BE IT FURTHER RESOLVED, that the General Manager of the Santa Ana Watershed Project Authority is hereby authorized and directed to prepare the necessary data, conduct investigations and file such application, and to execute a grant agreement with the California Department of Water Resources.

ADOPTED THIS 16<sup>TH</sup> day of November, 2010.

SANTA ANA WATERSHED PROJECT AUTHORITY

Ms. Celeste Cantú, General Manager  
Santa Ana Watershed Project Authority  
OWOW Project Solicitation  
11615 Sterling Avenue  
Riverside, CA 92503

Subject: One Water One Watershed (OWOW) 2.0 Project Solicitation-City of Upland 14<sup>th</sup> Street Storm Water Collection/Integration Project

Dear Ms. Cantú:

The Chino Basin Watermaster (CBWM) supports grant funding to the City of Upland (City) for the construction of a 23 ac-ft retention percolation basin to collect upstream storm water for the purpose of flood control, water quality treatment and recharge; installing 2,300 ft of new storm water collection pipeline on 14<sup>th</sup> Street from this proposed basin to Mountain Avenue; and constructing approximately 2,400 ft of storm water diversion/conveyance pipelines, ranging from 24-inch to 42-inch, to connect the proposed basin to the Holliday Pit across Benson Avenue and to the existing storm drain on Benson Avenue near 13<sup>th</sup> Street, which drains into Upland Basin and provides recharge into the Chino Basin. High quality groundwater recharge in the northern areas of the Chino Basin provides maximum water quality and supply benefits.

CBWM in cooperation with the City and other basin parties has developed a groundwater management plan and a recharge master plan. Together, they serve the ultimate objectives of improving supply reliability by increasing capture and recharge of storm water, recycled water and imported water. The proposed project was identified in the 2010 CBWM Recharge Master Plan Update and in the SAWPA OWOW Integrated Regional Watershed Master Plan.

Water management, sustainability, and reliability to meet the community demands are top priorities for water managers in Southern California. The development and beneficial use of local water supplies, like stormwater and recycled water, and optimization of groundwater storage capacity to maximize local water resources to further reduce the dependence on less reliable imported water from northern California are critically important elements necessary to ensure and protect water supply availability and economic vitality, not just for this region but also for the State in general.

For the above water supply benefits, CBWM recommends grant funding for the City of Upland's 14<sup>th</sup> Street Storm Water Collection/Integration Project. Should you have questions or require further information, please feel free to contact me at 909-484-3888.

Sincerely,

Peter Kavounas, P.E.  
General Manager
